Crystal Conservatories Campaign

St. Barnabas Charities requests your support for its Crystal Conservatories Campaign. The Crystal Conservatories will become the centerpiece of the Valencia, Butler County, campus of St. Barnabas Health System. St. Barnabas is a leading provider of services for seniors in the Pittsburgh region.

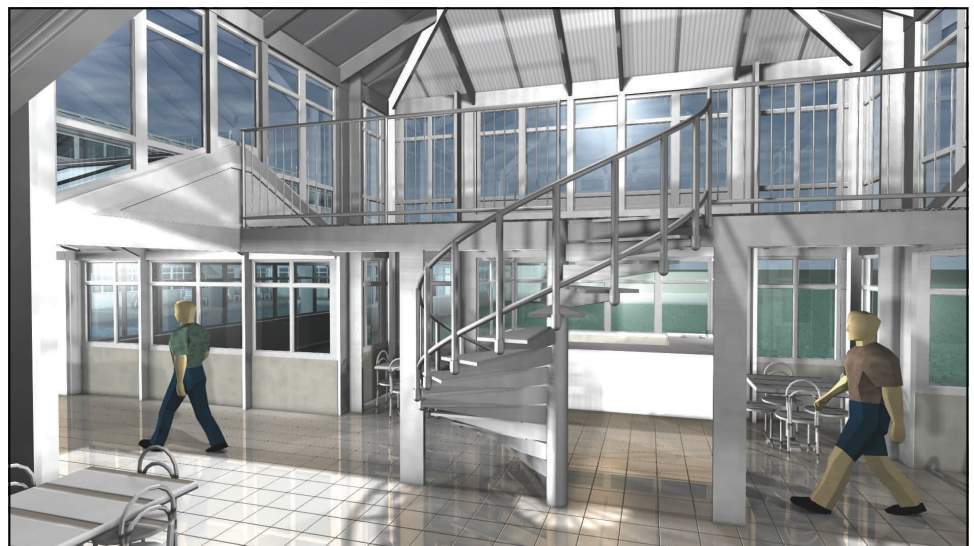

The sparkling glass conservatories – unlike anything else in the region – will enable year-round swimming and aqua therapy for residents and patients of St. Barnabas Health System as well as seniors from the surrounding community.

Description:

- Two adjoining sparkling glass conservatories
- Enclosed 36- X 69-foot heated swimming pool
- Bathhouse
- Recreation area with spiral staircase
- Capacity for 300 persons

Benefits:

- Year-round health and wellness opportunities for seniors

- Awe-inspiring setting from which to enjoy the lush natural surroundings
- Well-appointed recreational and social areas in spacious glass tower

Uses:

- Swimming
- Aqua therapy
- Exercise
- Private parties
- Special events

Why: Swimming and aqua therapy have proven beneficial for advancing and maintaining seniors' wellness and independence. The area is currently underserved by aqua wellness opportunities.

Goal: **\$2,316,000** of the project's \$4.2 million cost. Some funding has been pledged during the campaign's silent phase.
